

# Application for Installation of CCTV

## Conditions of Installation:

- The owner must obtain written consent from the Owners Corporation/Body Corporate prior to installing any CCTV cameras that may capture strata common property.
- The CCTV cameras must comply with all relevant laws and regulations, including privacy laws.
- The owner must notify the Owners Corporation/Body Corporate when the cameras are operational.
- The owner must ensure that the CCTV cameras are not used for any unlawful purpose, such as monitoring the personal activities of residents or visitors.
- The owner must ensure that the CCTV cameras do not capture any audio recordings or conversations of residents or visitors.
- The CCTV cameras must not be used to harass, intimidate, or discriminate against any residents or visitors.
- The owner must ensure that the CCTV cameras do not obstruct any common property or interfere with any essential services, such as fire alarms or sprinkler systems.
- The owner must provide access to the CCTV footage to the Owners Corporation/Body Corporate upon request and comply with any reasonable requests for information or assistance in relation to the CCTV system.
