

Application for Keeping an Animal

Guidelines:

Before Submitting your Application

You are required to take the following actions prior to submitting your application

- Read the animal by-law
- Check your animal vaccinations are current

After Receiving Approval

- Introduce yourself to your neighbours and advise them of your contact details if there is an issue with your animal being left alone at any time
- Review how you will bring the animal in and out of the apartment (eg fire stairs, basement, ect)

One Month After Your Animal Moves-in

- Revisit your neighbours and check if there are any issues
- Confirm registration details updated

Each Year

- Keep your animal vaccinated
- Confirm registration is still valid and correct
- Introduce yourself to any new neighbours

Things to remember

- Not all people are comfortable with all animals, before entering a lift or small space with other people please ask if they are comfortable with you entering
- Dogs can be disruptive and noisy, be sure to regularly walk and provide activities for your dog
